

SWOA AGM 2011

Appendix 3 to Minutes: RECORDER OF CONTROLLERS' REPORT

SWOA has 75 controllers: 8 at Grade A, 11 at Grade B and 56 at Grade C. Grade A is the former Grade 1, Grade B was Grade 2 and Grade C was Grade 3. These name changes match the controlling grades to the current A, B and C event levels. The distribution between the clubs is shown below. Changes to the list in the past 12 months are:

GRADE A Mark Dyer of BOK has moved up from Grade B.

GRADE B Chris Branford of WIM has moved up from Grade C; Jan Belza of SARUM has retired from Controlling.

GRADE 3 Two new controllers – Mike Cullen of Devon OC and Mike Kite of WIM have been appointed. Three have moved to SWOA clubs from other regions and have been added to the list – Martin Cross of WIM, James Head of NWO and Joe Parkinson of NGOC.

The BOF Rules [Appendix C, version 3] on the appointment of controllers and the activity necessary to maintain the appointment have been revised to deal with the four level event structure and have been effective from January 2011. A significant change is that to be appointed – or move up a grade – one must have completed an accredited Safety Training course.
