Appendix 3 to Minutes

### **SW Junior Squad Report 2012**

The highlight of the year was the squad finishing 4<sup>th</sup> at this year's Junior Inter Regional Championships held at Sandringham, Norfolk on the last weekend of June. An excellent performance from a relatively inexperienced team equalling the South West's best finish in recent years.

Squad training throughout 2011/2012 centred on three days training on Dartmoor during October and three days training in the Lake District in February. This was supported by two days training in the Forest of Dean at Christmas along with some single day sessions including some track work at Bath University. The annual Lakeside weekend for M/W16's as in previous years was held on the last weekend of November.

Fundraising has proven successful once again this year with the squad shop contributing £650 to the squad and the half term Army event contributing £318 to supplement the grant received from SWOA.

The programme of training for the first half of the forthcoming season is in place and is as follows:-

Saturday 6 October – Bath University.

Thursday 1 & Friday 2 November – Star Posts & New Forest.

Saturday 24 & Sunday 25 November – Lakeside weekend for M/W16's.

Saturday 8 & Sunday 9 December – Christmas Weekend – Salisbury/New Forest

February 2013 – Training camp – venue to be confirmed.

Finally, can I thank all those that have assisted the squad in any way during the year because without your help things simply wouldn't happen. Huge thanks especially to Pete Maliphant, David Hanstock, Tess Stone, Ben Chesters, Tim Haysom, Arthur Vince, Christine Vince and Jackie Hallett.
