

Treasurer and Membership Secretary's Report 2013/14

The accounts this year present a slightly more confused picture than in previous years. In September British Orienteering mistakenly transferred £13,062 into the SWOA account. This money should have gone to SCOA for putting on JK2013. The accounts also show income and outgoings for the VHI being held this weekend. In this accounting period there was £1351.50 of credit for that event. So the actual SWOA balance for the end of the year is £7800.86. The income from levies this year was £7949.90

Orienteers from across the region have enjoyed a successful year, and SWOA have been delighted to support the following athletes with grants totalling £2152.50:

Ben Maliphant	Junior European Championship
Emily Benham	MTBO World Orienteering Championships
Gavin Clegg	Veteran Home International
