

Introduction to the South West Championships

History

The origins of the South West Championships seem to be lost, but a search through back copies of newsletters has found that the 3rd South West Championships were held in November 1969, the 4th in March 1971, then every spring until 1975. We have some results from this period. After this the championships disappeared.

The South West Championship reappeared in 1984 and has taken place every year since then.

The Championships are closely associated with the history of the Caddihoe Chase. Since 1985 the Championship has traditionally been awarded to the fastest SWOA member on the Caddihoe day 1, except in 2001, when the Caddihoe was cancelled due to foot and mouth and the BOK Trot was used instead.

In 2009 Middle distance and Sprint disciplines were added, giving three Champions per age class.

Age Classes

Age classes have evolved over the years but the current system remains similar to that introduced in 1984.

The junior courses have been tweaked slightly, in 1995 there was a change from odd to even years, and between 2003 and 2008 there was a short-lived change from strict age classes to JM1 to JW5.

These roughly correspond to the following:

| | | | |
|------|---------------|------|---------------|
| JM1 | M10 | JW1 | no equivalent |
| JM2 | no equivalent | JW2 | W10 |
| JM3 | M12 | JW3 | W12 |
| JM4 | M14 | JW4 | W14 |
| JM5S | no equivalent | JW5S | W16 |
| JM5M | M16 | JW5M | no equivalent |
| JM5L | M18/M20 | JW5L | W18/W20 |

Prior to 2009, sometimes Elite (E), Long (L) or Short (S) classes were awarded, with A and B courses for juniors, but otherwise the champion has been the winner of the long distance or A option in any age class.

Clubs

Some clubs have come and gone. The following discontinued abbreviations appear on the lists:

I am grateful to Neil Clegg for his history of the Caddihoe Chase published in SINS No 227 (September 2004) thanks to Susan Hatley for letting me borrow from her collection of back copies of SINS, and thanks to Alan Kempton and Gavin Clegg for adding some of the missing results.
